Full Moon Rallye 63

Saturday

November 12, 2016

Instructions given out at 11:30am

Teams start course at noon

Join us on Saturday, November 12th, for the 63rd Full Moon Rallye. The walking rallye will start in the center court of City Hall (in the center!) (Broad and Market Streets). Teams will have four hours to walk around the area following instructions and looking for answers to clues before finishing up at 2nd Story Brewing (117 Chestnut Street).

What is a Rallye?

Competitive walking event

Object: find & answer the most clues

- Travel around Center City
- Look for different types of clues as you walk (about three miles)
- Do not need to be familiar with area
- NOT a speed event
- Four-hour time limit for race
- Afternoon event
- Teams of two can enter
- Time to hang out at finish of race
- Medals for top 3 teams + winner gets Cup

A rallye is basically a scavenger hunt on foot. Each team (of 2 people) is given a list of directions that they must follow to navigate through the course (e.g. Turn left at Wawa, or proceed straight until you come to a statue of Shakespeare). Along the way, the teams have to find answers to questions (e.g. *Where do you find a \$1.99 Super Hoagie?*, or *Who built the Shakespeare statue?*). There are different types of questions with different point values (the harder ones are worth more). The team that answers the most questions correctly wins! The course is designed to be walked in less than two hours, so there should be no need to hurry - *unless you are going way too slow*. Along the way, your team may also have to buy certain items (called retrievables) to prove you were at a location, or to be used later in the rallye.

The rallye will benefit for a good friend's daughter who is using a GoFundMe page to pay for a learning experience that they cannot afford due to a difficult family situation. If you can assist, learn more [here](#). Clubedventures is glad to be able to offer support!

REGISTER ONLINE AT:

<http://www.brownpapertickets.com/event/2707035>

Entry fee: \$40 per team (of 2)

Required items:

- Pen or pencil
- Something to write on (clipboard, etc.)
