Full Moon Rallye 64

Saturday

April 8, 2017

Instructions given out at 11:30am

Teams start course at noon

Join us on Saturday, April 8th, for the 64th Full Moon Rallye. The walking rallye will start inside the Independence Visitor Center (6th and Market Street) - on the right wall area immediately past the gift shop (which is on the left side).

Teams will have four hours to walk around the area following instructions and looking for answers to clues before finishing up at Cavanaugh's Headhouse (421 S. 2nd St).

What is a Rallye?

Competitive walking event

Object: find & answer the most clues

- Travel around Center City
- Look for different types of clues as you walk (about three miles)
- Do not need to be familiar with area
- NOT a speed event
- Four-hour time limit for race
- Afternoon event
- Teams of two can enter
- Time to hang out at finish of race
- Medals for top 3 teams + winner gets Cup

A rallye is basically a scavenger hunt on foot. Each team (of 2 people) is given a list of directions that they must follow to navigate through the course (e.g. Turn left at Wawa, or proceed straight until you come to a statue of Shakespeare). Along the way, the teams have to find answers to questions (e.g. *Where do you find a \$1.99 Super Hoagie?*, or *Who built the Shakespeare statue?*). There are different types of questions with different point values (the harder ones are worth more). The team that answers the most questions correctly wins! The course is designed to be walked in less than two hours, so there should be no need to hurry - *unless you are going way too slow*. Along the way, your team may also have to buy certain items (called retrievables) to prove you were at a location, or to be used later in the rallye.

This rallye will benefit **Girls Rock Philly**, which is a music organization dedicated to building an intergenerational community of girls, women, and trans and gender variant people. Through the practice of fearless expression, artistic experimentation and collaboration, we build confidence and leadership skills and together foster a joyful culture of creativity, critical thinking and collective care. We work to advance gender liberation and build a more safe and equitable world. <http://www.girlsrockphilly.org/>

Entry fee: \$40 per team (of 2)

Required items:

- Pen or pencil
- Something to write on (clipboard, etc.)
- Cell phone (if I need to contact you)
- \$5 (for retrievables)
