

Announcing...

The Hunt for the Red October Lobster

Saturday, October 14, 2017

Hunt begins at 5:30pm.

Join us for the Hunt for the Red October Lobster Hunt on Saturday, October 14th! This is a fun bar hop, a *Claw Crawl*, if you will, to celebrate the fall. Teams of one-to-whatever compete in different contests for really cool lobster medals and stuff. You are free to compete in whichever (or all) of the contests you want, while enjoying the evening.

The hunt begins at the Field House (1150 Filbert Street). Teams should arrive sometime before 5:30pm (*you can start later, but let me know first!*). At 5:30pm, I give out the instructions - you'll play games, solve puzzles and wheel n' deal with other teams at the **Field House**, then the **Trestle Inn** and finally at **Roy-Pitz Barrel House**. Teams set their own schedule based on which contests they are competing in, so you can crawl at your own speed. Top teams get medals! The cost is \$25 per team member. Check out www.clubedventures.com for more info.

Contests this year (choose to participate in any combination!):

- Team attire contest - think red, October and/or lobster!
- Photo hunt - bring that camera
- Trivia - know your red, October & lobster facts
- Lobster Puzzles and Riddles to solve for prizes and glory
- Fun & challenging contests to prove your skill - or luck
- Collaborative contest - work with other teams - to win
- And a hidden contest!

Recommended items:

- Pen or pencil, and notepad
- Digital camera for use in photo hunt (with a display big enough to actually see the photo!)
- Flashlight (it will be dark outside!)
- Smart phone (at least one per team) for text messages
- Funds to purchase food, drink & stuff during the hunt

This year the hunt will again benefit the Nichole Canuso Dance Company (NCDC)! They are a local non-profit organization that "creates movement-based works that explore the complexity of the human experience. Using subtle gesture, explosive movement, humor, and interactive design, NCDC develops projects at the crossroads of dance, visual art and theater." (learn more at: <http://nicholecanusodance.org>)

REGISTER ONLINE AT:

So, grab a partner or two or more, email to let me know you're coming (and send funds with the below entry form), dress for the weather (you will be outside!) & get ready to Hunt for the Red October Lobster! The event is open to everyone, but it is recommended that all team members be over 21 (all the stops are bars).
