Summer Camping/Floating Trip 2025

August 15-17

Join your friends on another journey down the Delaware River for some relaxin' & raftin'.

❖ Friday, we make our way up to ~~Jerry's Three Rivers~~ Outpost Campground (same place, new owners) during the evening hours, arriving anywhere from 6pm to 2am (it's a 3ish hour drive). That night we have fun and play games.

❖ Saturday, we wake up, enjoy a yummy camp breakfast and head across the street for some floating on a raft (and tubes)! The trip downstream takes about 6 hours with lots of scenic views and a few rapids (nothing major) - we travel at a

very leisurely rate (this is NOT a race), so be prepared to relax. Lunch will be served as we float down the Delaware - at the finish, The Outpost folks pick us up and take us back to the campsite. That evening, we sit around the campfire, cook dinner and then settle in for more fun and games!

❖ Sunday, it's pack up, good-byes, breakfast at the Village Diner (RIP Homer's) and a quiet trip home.

The weekend is \$200, which includes two nights camping, one day of rafting, snacks, Saturday breakfast, lunch and dinner,

lots of liquids, fun campfire games & other silly things.

You should bring:

Sleeping bag or reasonable facsimile, tent (if you don't have one - I have extras), pillow, sheet, blanket, swimsuit, grungy/boating shoes for rafting, sunblock, towels, camp-y things, hat, flashlight, and whatever else you want! It's a private campground, so they have showers, electrical outlets, etc. Feel free to bring more snacks and refreshments!!!

Our campsite is Outpost Campground, 2333 State Route 97, Pond Eddy, New York 12770, just north of Port Jervis, NY

Please clip and return this to Ed real soon!
